GOVERNMENT ELECTRICITY DEPARTMENT.

From
Sri V.P.Appadurai, B.A., M.I.E.(Ind.),
Chief Engineer for Electricity,
157, Mount Road, Madras.

To
The Secretary to Government,
Public Works Department, Madras.

No.99-H1/55-3 Dated 24-11-'55.

Sir,

Sub:- Establishment - Temporary - South Kanara Extension Scheme - Staff continuance - Sanction requested.

In item 3 of the statement forwarded with my letter No.421-H/54-15 dated 7-9-55, sanction for the continuanc of four posts of Junior Engineers/Supervisors I Grade (Civil/Electrical/Mechanical) upto 29-2-1956 was request But Government in G.O.No.3720 P.W. dated 28-9-55 have accorded sanction for the continuance of only two posts of Junior Engineers upto 29-2-1956. Presumably sanction was not accorded for the continuance of the other two posts as their present sanction expires only on 27-12-55 and 28-12-55.

2. I have to state that the building works in variou substations such as Mangalore, Karkala, Hiriadka, Coondapur and Udipi are in full swing. Water supply and sanitary arrangements in the buildings have to be provided. Other minor works, such as provision of revetment removal of huts, rectification of defects and preparatio of tower schedules have yet to be completed. The posts of 2 Junior Engineers are therefore required in Mangalor division along with the other posts to attend to the works connected with the South Kanara Extension Scheme. I therefore request that Government may be pleased to accord sanction for the continuance of two posts of Junior Engineers/Supervisors (Civil/Electrical/Mechanica from 27-12-55 and 28-12-55 to 29-2-1956.

3. Early sanction is requested.
